

PRIVATE TREATY SALE - COMPLETE PLANTS AVAILABLE FOR IMMEDIATE SALE – OFFERS WILL BE CONSIDERED FOR THE PLANTS AS WHOLE AND FOR ASSETS ON A PIECEMEAL BASIS

- Complete milk plant including preparation, mixing, sterilization, cooling, packaging, and palletizing systems.
- Complete yoghurt plant including raw material reception, pasteurization of milk, mixing station, pasteurization of yoghurt, addition of starter, fermentation, packaging, palletizing, cooling, and storage.
- Complete coffee plant including raw materials reception, recipe preparation, roasting, milling, packing of coffee beans for restaurants or ground coffee, packaging, palletizing, and storage.
- Complete bakery plant including raw materials reception, kneading machines, forming machine, cutting, and boarding, fermentation area, baking and cooling, packaging, and palletizing.

Milk Plant Equipment

Featuring:

- 4x **APV** (6,000 – 12,000L/Hr) and 1x **Finnah** (1,500L/Hr) UHT indirect milk processing plants
- 4x **APV** Homogenisers (6,000L/Hr – 12,000L/Hr)
- **BOS** 1,500L/Hr and Rannie 8,000L/Hr Homogeniser
- **APV**, **Luma** and **Pierre-Guerin** stainless steel tanks 5,000 – 25,000L with associated blowing plant
- **Tetrapack** lines comprising 6x **TBA-8** (500L – 1000L, **A3 Flex** 1,000L (2017), 2x **TPA19** (330ml)(2002/2004) and 2x **TBA19** (200ml) (2003/2013)
- **Tetrapack** downstream equipment including **Helicap 27** (2017), **Dream Cap 30 Flex** (2013) capping machines and 5x **Type 70** cardboard packers (2002/2004)
- **Gampack** packaging machines including 5x **Twin 35** (2006), **GAP 35TB** (2017) and 5x handle applicators (2006)
- 4x **Stork IRB640 M2000** 6-axis handling robots (2004)
- 2x **Inpropack** pallet wrappers (2004)
- Laboratory and ancillary equipment including **Bitzer** refrigerant compressors, **Atlas Copco** air compressors and dryers, **Umisa** and **Vulcano Sadeca** steam boilers, high pressure pumps, racking, spares and hand tool

Yoghurt Plant Equipment

Featuring:

- 4x Thermoforming machines comprising **Erca RK3 (2018)**, **Elton STPP-L420** (petit), **STPP-320** (custard) and **Finnah 2450** (firm yoghurt)
- **APV 1057MC15-3TPS** (4,000L/Hr) and **MC18 3TB** (5,000L/Hr) homogenizers
- **Westfalia MSD 50-01-076** (5,000L/Hr) milk separator
- **Elopak PS-30** format machine (for pasteurized milk) (3,000 units/Hr)
- **Franz Korneberger 600/5** (for yoghurt to drink) (9,000 units/Hr)
- Tanks including 17x **Calderinox** isothermal (5,000L – 15,000L) and 1x cooling & heating jacket (6,000L), 5x **Luma** isothermal (5,000 – 8,000L), 3x cooling jackets (4,000L) and 1x cooling & heating jacket (1,000L) and **APV** isothermal (10,000L)
- 2x **Tetra Pak** mixers **L10 (2005)** and **LV20 (2005)**
- **Tetra Pak** Thermo-Pasteurizer of enriched milk for yogurt, 6,000L/Hr (2004)
- **Tetra Pak** yogurt enriched milk pasteurizer, 8,000L/Hr (2005)
- 3x **Tetra Pak** plate coolers 5,000-10,000L/Hr (2005)
- 2x homogenizers comprising **BOS MC18-5TPS** 4000L/Hr and **APV Gaulin 55-3.0P** 8,000L/Hr (2005) and **KFG 3BS** 5,000L/Hr
- Packaging machines including **Cluster-Pak 400** multipack packaging beverage system, **Handiman Model 20 (2005)** and **Efabind R8 (2003)**
- Ancillary equipment including **Umisa** steam boiler (2005), **Atlas Copco** Air compressors (2005), **Inoxpa** centrifugal pumps, **Caterpillar** 400 KVA Diesel generator set, laboratory equipment and office furniture

Coffee Plant Equipment

Featuring:

- Coffee bean roasters comprising **Air Tec TNA 240** (4000kg), **TTB240** (400kg/Hr), **Colombo CN120/A** (275kg/Hr) (**2003**) and **Probat GE12** sample roaster (**2001**)
- Coffee bean grinding equipment comprising **Probat UW 801** grinding mill (1200 kg/Hr), **UW 1203 A2K** (1800 kg/Hr (**2004**) and **Stawert Muhlenbau DK 27 LSV** grinding mill
- Packaging machinery including **Paris PVB 8** form fill & vacuum seal (250g), 3x Paris form fill seal machines (1kg & 2kg bags), post pack **TX/M** 2x **TA/M** form fill seal machines (**2001**), **Supra Pack** over wrapper and shrink tunnel (**2017**), **Bremen 100** accumulator (**2017**), checkweighers and metal detectors
- 3x **Probat SB-2** weighing systems (2003)
- Ancillary equipment including **Atlas Copco** air compressors, **DWM Copeland** refrigerant compressors, laboratory equipment, c95 commercial coffee machines, quantity of workshop equipment and maintenance tools

Bakery Plant Equipment

Featuring:

- **Vines Plaff Plaff H20** roll product forming line for a variety of breads (2016)
- 4 x **PPS Turbopratt TT-200** 200 litre stainless steel dough mixers (2016), dough divider (2016) and conical rounder
- **Beor Galileo** baguette forming line (up to 700g, 1800-2400 pcs/Hr) (2016)
- 4x **Gashor CFC MB 155** stainless steel proving cabinets (2 x 8 trollies) (2016)
- **Beor** and **Beorlegui** water scorers (2016)
- 3x **Ramalhos** stainless steel rotary double rack ovens (2016), 5x **Gashor Rotocar** rotary single rack ovens (2016)
- Ancillary equipment including **Bizerba** metal detector, **UBS** ink jet printer, **Bitzer** refrigerant air compressors, **Frimetal** condensers, **Scotman** ice maker, **Ebara** water pumps, blast freezing tunnels, **Atlas Copco** air compressors, sinks, preparation tables and utensils

Site Locations

Tenerife

Güimar (Milk Plant)

Calle San Francisco de Paula, 177
38291 Los Baldíos
Santa Cruz de Tenerife

Celgan (Yoghurt Plant)

Pol Ind Güimar 11
38530 Candelaria
Santa Cruz de Tenerife

Los Majuelos (Coffee Plant)

Pol Ind Los Majuelos
Calle Las Mercedes, 5
San Cristóbal de La Laguna
Santa Cruz de Tenerife

Gran Canaria

Tablero (Bakery Plant)

C/ Cartago, 7-9
El Tablero (Maspalomas)
Gran Canaria
